FIRST PRESBYTERIAN AFTERSCHOOL AND ENRICHMENT PROGRAM SUMMER CAMP 2015

First Presbyterian Learning Center Afterschool and Enrichment Program offers high quality child care throughout the year! Our staff teaches character traits, good manners, independence skills and team work while students play with friends, have fun with games, activities, field trips and/or in-house presentations. All staff members are fingerprinted, background checked, CPR certified, credentialed and experienced in working with children. The program is based on low teacher/student ratios for optimal summer learning.

Snacks and on-site prepared hot lunches are healthy, nutritious and plentiful!

Please call us to schedule a tour and find out about our exciting one-of-a-kind summer program!
