DISCIPLINE POLICY

It is our goal to guide children to a level of responsibility that includes making conscious choices about their behavior and understanding the consequences of their choices.

Discipline is based on a positive attitude toward children. Our Policy is to reinforce positive behavior, not negative behavior.

1. Appropriate, pro-social behavior is reinforced with praise. Children are encouraged to talk about their feelings and are helped to understand the difference between appropriate and inappropriate behavior. Problem solving skills and conflict resolution are demonstrated and facilitated. Children may be re-directed to a different play area or activity when a resolution is not achieved.
2. In cases where a child is a threat to him/herself or others he/she may require a time away. The child will be accompanied to a “safe place”, which is a comfortable area in each classroom. There the child is given a chance to regain composure while a staff remains in proximity. Before re-entering the group or classroom, a staff member will talk with the child about a more acceptable choice of behavior.
3. At no time will a child be subjected to discipline that is severe, humiliating, or frightening.
4. Discipline shall not be associated with food, rest or toileting.
5. Spanking or any other form of physical punishment or shouting is prohibited on the entire campus. Neither staff nor parent nor guardian may engage in any of the above-mentioned behaviors.
6. A parent/staff conference may be requested in case of disruptive actions of a child. For children who have persistent difficulties a behavior management plan may be developed. We reserve the right to dismiss a child from our program who is repeatedly unable to comply with the center’s rules or behaves hurtful towards other children.
7. In case the problematic behavior pattern continues, the Learning Center reserves the right of suspending or dismissing a student.

With my signature below, I verify that I have read and understood First Presbyterian Learning Centers Discipline Policy.

BITING POLICY

Children must learn that biting is unacceptable. When a child continuously bites it often indicates that the child may be having difficulties with communicating and verbalizing their emotions or need for sensory stimulation

The biting policy of **First Presbyterian Learning Centers** is as follows:

1. If a student bites another student, the bitten area will immediately be cleaned with soap and water. The teacher/director will notify the parents/guardians of both students with a #4 Record of Unusual Incidents & Accidents Form. Both parents/guardians will be asked to sign the form to verify that they were notified about the incident.
2. If biting becomes a continuous problem, the parents/guardians will be asked to schedule a conference with the teacher & director to develop an individual behavior management plan. The plan may include a proven technique such as shadowing, providing crunchy/chewy food snacks, sending the student home after a biting incident and suspension.
3. If the individual behavior management plan is not successful, dismissal of the student may be considered until some measured improvement has taken place.
4. Child Care Licensing requires that parents/guardians sign the accident report. Your signature does not indicate approval or disapproval. Your signature verifies that we have informed you of the incident.

With my signature below, I verify that I have read and understood First Presbyterian Learning Centers Biting Policy.

LINGERING POLICY

Please be aware that First Presbyterian Learning Centers has a policy requiring that parents leave the school grounds immediately after their child is picked up for dismissal.

Once a child has been dismissed in the care of their parent or caregiver, First Presbyterian Learning Center’s staff is no longer responsible for their care or supervision.

We cannot allow children who have been dismissed to their parents to remain on the playground or in the classroom. At times, children behave differently when their parent is present, and our staff is unable to enforce playground and classroom rules.

Please do not linger in the school, the playground, or courtyards with your child at dismissal/pick up time for socializing or extra playtime.

State of Emergency Policy:

When it comes to natural disasters like hurricanes, tornadoes, flooding, etc., and Hollywood Learning Centers are unable to send an emergency email or phone call, you must follow what Broward County Public Schools determine. If they close schools, Hollywood Learning Centers are closed as well. You should also follow us on Facebook: Hollywood Learning Centers, on Instagram: @Hollywood Learning and you will be in touch with any changes or events.

Our priority is, safety first!

Thank you for your cooperation!
